2009 BILL

**PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION**

SA  
x-ref

— gen

- 1 AN ACT ...; **relating to:** authorizing the release of certain personal identifying  
2 information collected by the Department of Regulation and Licensing.

***Analysis by the Legislative Reference Bureau***

Under current law, if the Department of Regulation and Licensing requires an individual to provide certain personal identifying information for issuance or renewal of a credential or for obtaining a product or service, the Department must allow the individual to opt out of being included in a release of such information the Department provides in cases where the release includes information about 10 or more individuals. Currently, an individual's decision to opt out applies to the release of the individual's name, social security number, telephone number, street address, post-office box number, and zip code.

Under the bill, an individual's decision to opt out applies only to the release of the individual's social security number, telephone number, street name and number, and post-office box number.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

- 3 **SECTION 1.** 440.14 (1) (b) of the statutes is amended to read:

1           440.14 (1) (b) "Personal identifier" means a ~~name~~, social security number,  
2   telephone number, street address name and number, <sup>score comma</sup> or post-office box number or  
3   ~~9-digit extended zip code~~.
